

THE ART OF PARTNERSHIP

BE PART OF IT

The Baltimore Museum of Art is home to an internationally renowned collection of 19th-century, modern, and contemporary art—distinguished by the largest and most comprehensive collection of works by Matisse in a public collection, as well as masterpieces by Pablo Picasso, Paul Cézanne, and Vincent van Gogh.

As a Member of the Corporate Council, you become part of a world-class institution that uses the power of art to educate, inspire, and build bridges between people of different backgrounds and perspectives.

SUPPORT THE REGION, INVEST IN THE FUTURE

The BMA was founded in 1914 by a visionary group of Baltimoreans who came together to establish an art museum for the purpose of advancing the City and educating its citizens. For more than 100 years, this kind of innovative and imaginative thinking has been a hallmark of the BMA, represented so clearly in the unprecedented initiative to eliminate admission fees, making art free for all.

With Membership in the Corporate Council, you join like-minded corporate leaders committed to enhancing the quality of life in our community.

COME FOR THE CULTURE, STAY FOR THE REWARDS

Corporate Council Members make an enormous contribution toward keeping the BMA artistically vibrant and accessible to the entire community. In return, the BMA offers meaningful benefits. Among these benefits are invitations for executives to private exhibition previews, annual corporate events for your employees and their families, and the opportunity to rent Museum spaces at a discount for entertaining throughout the year, depending on membership level.

The BMA is a unique environment where you, as a Corporate Council Member, can promote your corporate image, entertain clients, and provide benefits to your employees.
