

# Joan Mitchell Soundscape

Follow these steps to access the soundscape experience.  
For help, please see a Visitor Services Associate.

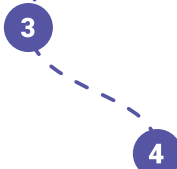

## App Store

Search for **Baltimore Museum of Art** in the Google Play Store OR Apple App Store.

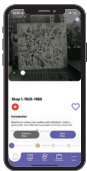

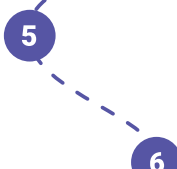

## Enable Bluetooth

This experience uses beacon technology to trigger audio content.

## Find Suggested Tours

Tap on **Joan Mitchell Soundscape**.

## Enjoy The Tour

Once the soundscape start playing, the audio will follow along as you move through the galleries.

## Allow Location

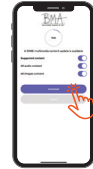

Select **Allow while using App** OR **Always**.

\*For Apple devices, see note below.

## Download All Content

Select all options and start download.

## Hands-Free Tour

With your Bluetooth and Location turned on, select **Hands-Free Tour**.

## \*Apple Phones

To have the best experience, your **Location** service needs to be set to **Always**. Apple phones require an additional step to do this.

1. Click on **Tap here to change the setting**.
2. In BMA Location Services, select **Always**.
